All investors in mind ... the same question in 2014, **gold** continues decline? Or
thrown for 2,014 new heights will be experiencing a year ago?
Biggar the **gold** for you Swanly volcano expert commented.

Starting from November 2008, under the rise on a yearly basis without any
interval up to the 1921 level peaked in September 2011. This rise has been
written several times about the reasons. In October 2012, after the 1800 attacks
to the level that is right under the period of the rise and fall of the wounded that
we watched the start of the period.

Nowadays we come to the end of 2013 **gold** has declined to the level of 1200.
Especially since May, started to talk abatement bonds the Fed finally took a
step in the program of 10 billion dollars abatement began. In these
circumstances, who will be deprived of cheap and plentiful liquidity of **gold** has
suffered from this condition can say. Terms of inflationary pressures as well as
the lack of data on the U.S. side to continue their optimism from the fact that
gold is a safe haven away. This year at the gold mine in terms of both the funds
and a happy new year also can not say that. In particular, the loss of ETF funds
estimated to be between \$ 70-80 billion, while the loss in the mines is between
\$ 20-30 billion, it said.

and gold prices move in U.S. interest rates, indicating that a close correlation Harveyşun said:

"Recent data in light of the already 3 percent, the U.S. interest rate to 4 percent likelihood there. If this happens, the price of gold \$ 1000 to below we can see that. U.S. interest rates increase economic power increases indicating that the basic indicators one. People's economic environment related concerns decreases, gold decline will continue. Gold demand in the two largest countries of which one in India as of last year gold trading restrictions on the introduction of the gold price low trend mainly was effective. Chinese all commodity asset prices may affect the performance has the power. Chinese economy, low growth indicators of demand for gold also negatively may be affected. Also in 2014, India's economic growth is expected to slow. "

FALL TRENDS THAT

economist Steve Hanke of Johns Hopkins University, under the downward trend, noting that the price of gold on the first day of the year showed a slight increase, the trend is downward, he said.

U.S. Federal Reserve's 85-billion-dollar monthly bond purchase program to reduce the stepping, available in the U.S. economic data of bond purchases in reducing speed also can set expectations for gold prices in the downward trend to continue causes.

On the other hand, already under the physical demands of India as of last year, leaving behind gold's, which has become the number one in China

continues. Especially with the increase in demand for physical gold in China on December 1 last year with \$ 1,182.52 on the last six months of the rally was the lowest level. In addition, China's largest spot gold market in 2013 with the Shanghai Gold Exchange gold delivery to the recipients of his previous year's level of 1,139 tons 2,197 tons had announced the release.

POSITIVE WORLD GOLD COUNCIL

central London, the World Gold Council demand outlook in the gold market to have a more favorable opinion, stating made the following statement:

"As of last year in the gold market have observed shift in demand from the West to the East. Indian government to control the current account deficit

restriction was to have a significant impact on the gold market. In China, still an emerging new class of people with gold due to have an emotional connection. So in China in recent years has seen a significant increase in demand for gold. China's middle class, the demand for gold will continue to remain strong in 2014. "

Gold is hovering near a one-month peak

Gold , investors assess the impact on demand of the rally, along with a one-month after the outbreak of the highest level has fluctuated. Platinum in South Africa, of the miners went on strike due to dispute the charge with concerns can output to its highest level in two months.
