

## LIST OF TABLES

1.	Estimates of the Inflation Forecasting Equations Full Sample Estimates.....	20
2.	Evaluation of Inflation Forecasts Out-of-Sample $j$ -Step Ahead Forecasts: 1953:2–1985:3.....	26
3.	Preliminary Data Analysis: Quarterly Data: 1953:2–1985:3 Average Real Interest Rates and Real Consumption Growth.....	34
4.	Preliminary Data Analysis: Quarterly Data: 1953:2–1985:3 Average Yield Spreads and Real Consumption Growth.....	35
5.	Preliminary Data Analysis: Annual Data: 1900–1984 Average Real Interest Rates, Yield Spreads and Real Consumption Growth.....	41
6.	Ordinary Least Squares Estimation: Linear Specification Average Interest Rates: Quarterly Data: 1953:2–1985:3.....	47
7.	Generalized Method of Moments Estimation: Linear Specification Average Real Interest Rates: Quarterly Data: 1953:2–1985:3.....	48
8.	Ordinary Least Squares Estimation: Linear Specification Average Yield Spreads: Quarterly Data: 1953:2–1985:3.....	50
9.	Generalized Method of Moments Estimation: Linear Specification Average Real Yield Spreads: Quarterly Data: 1953:2–1985:3.....	51
10.	Ordinary Least Squares Estimation: Linear Specification Average Interest Rates: Annual Data: 1900–1984.....	54
11.	Generalized Method of Moments Estimation: Linear Specification Average Real Interest Rates: Annual Data: 1900–1984.....	55
12.	Ordinary Least Squares Estimation: Linear Specification Average Yield Spreads: Annual Data: 1900–1984.....	56

## LIST OF TABLES (continued)

13.	Generalized Method of Moments Estimation: Linear Specification Average Real Yield Spreads: Annual Data: 1900–1984 .....	57
14.	Generalized Method of Moments Estimation: Non-Linear Specification Average Real Interest Rates: Quarterly Data: 1953:4–1985:3 .....	64
15.	Generalized Method of Moments Estimation: Non-Linear Specification Average Real Interest Rates: Annual Data: 1900–1984 .....	66
16.	Alternative Predictors of Consumption Growth: Lagged Consumption and Real Stock Returns Quarterly Data: 1953:2–1985:3.....	70
17.	Alternative Predictors of Consumption Growth: Lagged Consumption and Real Stock Returns Quarterly Data: 1953:2–1985:3.....	71
18.	Comparison of Forecasts: Interest Rate Model vs. Alternative Models Quarterly Data: 1953:2–1985:3 .....	72
19.	Comparison of Forecasts: Yield Spread Model vs. Alternative Models Quarterly Data 1953:2–1985:3 .....	72
20.	Alternative Predictors of Consumption Growth: Lagged Cons. and Real Stock Returns: Annual Data: 1900–1984.....	75
21.	Comparison of Forecasts: Interest Rate Model vs. Alternative Models Annual Data: 1900–1984 .....	76
22.	Comparison of Forecasts: Yield Spread Model vs. Alternative Models Annual Data: 1900–1984 .....	77
23.	Evaluation of of Out-of-Sample Forecasting Performance: Quarterly and Annual Consumption Growth Forecasting Models .....	79
24.	Comparison of Out-of-Sample Forecasting Performance with the Commercial Macroeconomic Forecasting Services.....	85

## LIST OF TABLES (continued)

25.	Preliminary Data Analysis: Quarterly Data: 1953:2–1985:3 Spot Real Interest Rates and Consumption Growth .....	105
26.	Preliminary Data Analysis: Quarterly Data: 1953:2–1985:3 Spot Real Yield Spreads and Real Consumption Growth .....	106
27.	Normality Tests: Quarterly Data: 1953:2–1985:3 Average Real Interest Rates and Real Consumption Growth.....	107
28.	Normality Tests: Quarterly Data: 1953:2–1985:3 Spot Real Interest Rates and Consumption Growth .....	108
29.	Normality Tests: Quarterly Data: 1953:2–1985:3 Average Yield Spreads and Real Consumption Growth.....	109
30.	Normality Tests: Quarterly Data: 1953:2–1985:3 Spot Yield Spreads and Real Consumption Growth .....	110
31.	Normality Tests: Annual Data: 1900–1984 Average Real Interest Rates, Yield Spreads and Real Consumption Growth .....	111
