

FELIPE DE BRIGARD

Curriculum Vitae

Department of Philosophy
203A West Duke Building. Box 90743
Duke University
Durham, NC 27708 – 0743
Phone: (919) 660-3062
Fax: (919) 660-3060
felipe.debrigard@duke.edu

Imagination and Modal Cognition Lab
Center for Cognitive Neuroscience
B249 LSRC Building. Box 90999
Durham, NC 27708 - 0999
Phone: (919) 660 - 3028
Fax: (919) 660 - 3060
www.imclab.org

EMPLOYMENT

- 2019 – 2024 Fuchsberg-Levine Family Associate Professor of Philosophy, Duke University.
- 2019 – present Associate Professor, Duke University. Department of Philosophy, Department of Psychology and Neuroscience (secondary appointment), Center for Cognitive Neuroscience, Duke Institute for Brain Sciences. Associate, Duke Initiative for Science and Society.
- 2016 - 2019 Assistant Professor, Duke University. Department of Psychology and Neuroscience (secondary appointment). Associate, Duke Initiative for Science and Society.
- 2013 - 2019 Assistant Professor, Duke University. Department of Philosophy, Center for Cognitive Neuroscience, Duke Institute for Brain Sciences. Affiliate, Duke Initiative for Science and Society.
- 2011 – 2013 Postdoctoral Fellow, Harvard University. Department of Psychology, Center for Brain Science. Advisor: Daniel L. Schacter.
- 2009 – 2010 Visiting Instructor, Elon University. Department of Philosophy.

EDUCATION

- 2011 – PhD, Philosophy (concentration in Psychology/Cognitive Neuroscience), University of North Carolina, Chapel Hill. Dissertation: *Reconstructing Memory*. Advisors: Jesse J. Prinz (Philosophy) and Kelly S. Giovanello (Psychology/Cognitive Neuroscience).
- 2007 – MA, Philosophy, University of North Carolina, Chapel Hill. Thesis: *What was I thinking? An essay on the nature of propositional attitudes*. Advisor: Jesse J. Prinz (Philosophy).
- 2005 – MA, Philosophy, Tufts University. Advisor: Daniel C. Dennett (Philosophy/Center for Cognitive Science).
- 2002 – BA, Philosophy (concentration in Psychology), National University of Colombia.

AREAS OF SPECIALIZATION

Philosophy of Mind, Cognitive Science and Neuroscience; Neurophilosophy; Moral Psychology.

AREAS OF COMPETENCE

Philosophy of Science; Modern Philosophy; Epistemology.

GRANTS (EXTERNAL)

Templeton World Charity Foundation (01/2020 – 12/2023)

Summer Seminars in Neuroscience and Philosophy (SSNAP)

Role: Co-Principal Investigator (w/ W. Sinnott-Armstrong)

\$1,469,486 (\$1,316,944 direct costs + \$152,542 indirect costs)

National Institute of Health/NIA - NIA R01 AG058547 – (7/2018 – 6/2023)

Effects of Aging on Episodic Memory-Dependent Decision Making

Role: Co-Investigator (MPI: Samanez-Larkin, Cabeza)

\$2,547,218 (\$1,619,313 direct costs + \$927,905 indirect costs)

Office of Naval Research (ONR) - N00014-17-1-2603 – (06/2017 – 05/2020)

Counterfactual Thinking and Omissive Causation

Role: Principal Investigator

\$555,560 (\$367,349 direct costs + \$188,211 indirect costs)

John Templeton Foundation – (01/2016 – 12/2019)

Summer Seminars in Neuroscience and Philosophy (SSNAP)

Role: Co-Principal Investigator (w/ W. Sinnott-Armstrong)

\$1,882,539 (\$1,676,121 direct costs + \$206,418 indirect costs)

GRANTS (INTERNAL)

Bass Connections – (05/2018 – 06/2019)

Memory and reasons in moral decision-making

Role: Co-Principal Investigator (w/ Cabeza)

\$25,000

DIBS Research Incubator Award (Continuation) – (07/2016 – 06/2017)

The Power of Imagination

Role: Co-Principal Investigator (w/ LaBar; Rosenthal)

\$25,000

DIBS Research Incubator Award – (07/2015 – 06/2016)

The Power of Imagination

Role: Co-Principal Investigator (w/ LaBar; Rosenthal)

\$75,000

ASC – Committee on Faculty Research – (07/2015 – 06/2016)

Memory and Skill

Role: Co-Principal Investigator (w/ Pavese)

\$5,000

FELLOWSHIPS, HONORS, AND AWARDS

2019 Thomas Langford Lectureship Award. Duke University.

2019 Membership in the Bass Society of Fellows. Duke University.

2017 Stanton Prize, awarded by the Society for Philosophy and Psychology.

2016 Rising Star, Association for Psychological Science.

2013 Fellowship for the Summer Institute in Cognitive Neuroscience, Lake Tahoe, CA.

2012 FAS Postdoctoral Award for Professional Development. Harvard University.

2010 Dissertation Completion Fellowship. UNC-Chapel Hill.

2009 Horace Williams Dissertation Fellowship. Department of Philosophy. UNC-Chapel Hill.

2009 Fellowship for the Summer Institute in Cognitive Neuroscience at UC, Santa Barbara.

2009 Outstanding Graduate Student Paper, American Philosophical Association.

- 2008 Fellowship from the A. W. Mellon Foundation Grant for Philosophy and Humanities as the Outreach Coordinator. UNC-Chapel Hill.
- 2008 Outstanding Graduate Student Paper, American Philosophical Association.
- 2006 Graduate School Travel Award. UNC-Chapel Hill.
- 2005 Horace Williams Fellowship. UNC-Chapel Hill.
- 2004 Center for Cognitive Studies at Tufts University. Travel Award.
- 2004 GSS and Graduate Student Council Travel Award. Tufts University.
- 2003 Department of Philosophy Tuition Scholarship. Tufts University.
- 2002 Award “Best Honors Theses”. National University of Colombia. XII Version.
- 2001 Merit Distinction for Honors Thesis: “On the Representational Theory of Mind”.
- 1999 Tuition exemption for highest GPA in Human Sciences.

PUBLICATIONS (* supervised student; † equal contribution)

Books

- (1) De Brigard, F. & Michaelian, K. (Forthcoming). *Memory*. New Problems of Philosophy Series. Routledge: London and N.Y.

The mirage of big-data phrenology. *Symposium Philosophy, Behavior and the Brain*. University of Virginia, Charlottesville, VA. April 12-14, 2019.

Varieties of counterfactual thinking. *Department of Psychology*. Ohio University. April 5, 2019.

Vivacity and the distinction between memory and imagination. *Centre for Philosophical Psychology*. University of Antwerp. February 7, 2019.

The mirage of big-data phrenology. *Department of Philosophy*. Mississippi State University. January 25th, 2019.

Know-how, Intellectualism, and Memory Systems. *Department of Philosophy*. University of Mississippi. January 24th, 2019.

Episodic memory without autothetic consciousness. *Symposium on Consciousness: Nature/Culture*. Max Plank Institute for Human Development. Berlin, December 13-14, 2018.

False memories, counterfactual thinking and schematic knowledge. *Cognitive Science*. University of Pennsylvania. November 16th, 2018.

Dynamic Cognitive Systems. *26th Biennial Meeting of the Philosophy of Science Association*. Seattle, WA. November 1-4, 2018.*

The mirage of big-data phrenology. *Fitting the mind to the brain: Deliberations on cognitive ontology*. Washington University in St Louis. October 26-27, 2018.

Cognitive neuroscience of counterfactual thinking. *Summer Institute: Thinking About the Possible*. Central European University. Budapest. July 9-14, 2018.

Time is not of the essence: Reconsidering the neural correlates of mental time travel. *Mental Time Travel: Origins and Function Workshop*. University of Otago. Otago, NZ. July 5-6, 2018.

Autobiographical memory and moral decision-making. *Conference on Autobiographical Memory and the Self*. Aarhus University. Aarhus, Denmark, June 20-21, 2018.

False memories, counterfactual thinking and schematic knowledge. *Department of Neuroscience*. Baylor College of Medicine. Huston, TX. April 25, 2018.

Cognitive systems and the changing brain. *Neural Mechanisms Online*. April 20, 2018.

False memories, counterfactual thinking, and the probabilistic structure of memory representations. *Predictive Processing Workshop*. Center for Cognitive Studies. Tufts University. Medford: MA. April 6-8, 2018

Know-how, Intellectualism, and Memory Systems. *Department of Philosophy*. Tufts University. Medford: MA. April 6, 2018.

Counterfactual thinking and perceived control. *Department of Philosophy*. Universidad de los Andes. Bogota, Colombia. March 14-17, 2018.

False memories, counterfactual thinking and schematic knowledge. *Cognitive Science Program*. Yale University, February 28, 2018.

Vivacity and the distinction between memory and imagination. *Department of Philosophy*. Yale University, February 27, 2018.

Autobiographical memory and moral decision-making. *Workshop on Narrative Conceptions of the Self*. Key Largo, FL. January 12-13, 2018.

Vivacity and the distinction between memory and imagination. *Department of Philosophy*. College of William and Mary. Williamsburg, VA. November 3, 2017.

Counterfactual thinking and perceived control. *Philosophical, Cognitive, and Neural Bases of Responsible Action*. Princeton University. October 30-31, 2017.

Know-how, intellectualism, and memory systems. *Department of Philosophy*. Universidad Nacional de Colombia. Bogotá, October 19, 2017.

From false memories to counterfactual thinking and back. *Department of Psychology*. University of North Carolina, Chapel Hill. August 31.

Vivacity and the distinction between memory and imagination. *Conference in Philosophy of Memory*. University of Cologne, Germany. July 10-13, 2017.

From false memories to counterfactual thinking and back. *Stanton Address. Society for Philosophy and Psychology*. Johns Hopkins University, Baltimore, MD. June 28 – July 1, 2017.

Mental models as mental simulations: The case of counterfactual thinking. *Annual Conference on Advances in Cognitive Systems*. Rensselaer Polytechnic Institute. Troy, NY. May 12-14, 2017.

Counterfactual thinking and comparative similarity. *Institute of Cognitive and Brain Sciences*. University of California, Berkeley. April 7, 2017.

Towards a cognitive neuroscience of modal cognition. *Department of Human Development*. Cornell University. Ithaca, NY. March 22, 2017.

The power of imagination. *TEDxDuke*. Duke University, Durham, NC. March 4, 2017

Towards a cognitive neuroscience of modal cognition. *PNP/Medical School Lunchtime series*. Washington University in St. Louis. St. Louis, MO. February 24, 2017.

Vivacity and the distinction between memory and imagination. *Sedona Philosophy Conferences*. Arizona State University. December 16-18, 2016.

Counterfactual thinking and comparative similarity. *Interdisciplinary Workshop on Counterfactual Thinking*. University of Toronto, Canada. November 4-5, 2016.

Know-how, intellectualism, and memory systems. *Instituto de Investigaciones Filosóficas*. Universidad Nacional Autónoma de México. Mexico City. August 25, 2016

Counterfactual plausibility and comparative similarity. *Society for Philosophy and Psychology*. University of Austin, Texas. June 1-4, 2016.

Blame, not ability, impacts moral “ought” judgments for impossible actions: Toward an empirical refutation of ‘ought’ implies ‘can’. *Society for Philosophy and Psychology*. University of Austin, Texas. June 1-4, 2016.

Memory, skill, and the problem of psychological taxonomies. *Workshop on Memory and Skill*. Duke University, April 22-24, 2016.

Vivacity and the distinction between memory and imagination. *IV Colombian Conference on Logic, Epistemology and Philosophy of Science*. Universidad de los Andes. Bogotá, Colombia. February 17-19, 2016.*

The cognitive neuroscience of mental time travel. *Wake Technical Community College*. Raleigh, NC. October 27, 2015.

Time is not of the essence: Understanding the neural correlates of mental time travel. *Moral Psychology Research Group*. University of Michigan, Ann Arbor. MI. August 21-23, 2015.

Dynamical cognitive systems. Symposium on Dynamics and Information Processing. *Conference of the International Association for Computing and Philosophy*. University of Delaware. Newark, DE. June 22-25, 2015.

The Utilitarian Paradox: Cognition-Heavy Moral Decisions are More Susceptible to Cognitive Bias.* *Society for Philosophy and Psychology*. Duke University, Durham, NC. June 4-6, 2015.

Vivacity and the distinction between memory and imagination. *Meeting of the American Association of Mexican Philosophers. Department of Philosophy.* Columbia University. New York, NY. April 24-26, 2015.

Toward a cognitive neuroscience of modal cognition. *US Naval Research Laboratory.* Washington DC, April 10, 2015.

Imagining Alternative Realities. *Brain Awareness Week.* Duke University. March 19, 2015.

The explanatory indispensability of memory traces. *Department of Philosophy.* University of California, Santa Cruz. CA. March 12, 2015.

Neural Networks: From brain function to cognitive processes? *Next Generation Network Neuroscience Meeting.* York University, Toronto, Canada. March 8

Mollifying memory: How thinking about what could have been affects how we feel about what was. *Society for Personality and Social Psychology.* Long Beach, CA. February 26 – 28, 2015.*

Memory and Reality. *AAAS Annual Meeting.* San Jose, CA. February 12 – 16, 2015.

Intervening memory. *Neuro-Interventions and the Law Conference.* Atlanta, GA. September 12-14, 2014.

Memoria, atención y recuerdo conjunto. *V Congreso Colombiano de Filosofía.* Medellin, Colombia. July 28 – August 1, 2014.

Three lectures on memory. *Department of Philosophy.* Universidad Autonoma Metropolitana. Mexico City, Mexico. May 26-28, 2014.

Memory, attention and joint reminiscing. *Workshop on Thinking, Attending and Sensing.* Department of Philosophy. University of Utah. Salt Lake City, UT. March 27-30, 2014.

Toward a cognitive neuroscience of modal cognition. *Department of Philosophy and Neuroscience Institute.* Georgia State University. Atlanta, GA. March 7, 2014.

The moral demands of imagination. *Department of Philosophy.* Agnes Scott College. Decatur, GA. March 6, 2014.

What can the BRAIN initiative teach us about cognition? (with Walter Sinnott-Armstrong). *'The Brain Mapping Initiatives' Conference.* New York University, NY. December 6-7, 2013.

The cognitive neuroscience of modal cognition. *Center for Vital Longevity.* University of Texas, Dallas, TX. October 15, 2013.

The cognitive neuroscience of modal cognition. *Cognitive Neuroscience Colloquium.* Duke University, Durham, NC. October 4, 2013.

When metaphysics meets cognitive neuropsychology. *The Triangle Area Philosophy Symposium.* Durham - Chapel Hill, NC. August 30-31, 2013.

Coming to grips with reality: Effect of repeated simulation on the perceived plausibility of episodic counterfactual thoughts. *Society for Philosophy and Psychology.* Brown University. Providence, RI. June 13-15, 2013. *

Hacia una neurociencia cognitiva del pensamiento hipotético. *Brain Awareness Week.* Bogotá, Colombia. March 11, 2013.

Memory and Hypothetical Thinking. *Department of Psychology.* Harvard University. Cambridge, MA. February 28, 2013.

The explanatory indispensability of memory traces. *Department of Philosophy.* University of Wisconsin, Madison, WI. February 8, 2013.

Memory and Hypothetical Thinking. *Department of Philosophy.* Carnegie Mellon University. Pittsburgh, PA. February 4, 2013.

Memory and Hypothetical Thinking. *Department of Psychology*. University of North Carolina, Chapel Hill, NC. MA. January 31, 2013.

The explanatory indispensability of memory traces. *Department of Philosophy*. Duke University. Durham, NC., December 14, 2012.

Varieties of Hypothetical Thinking. *Duke Institute for Brain Science*. Duke University. Durham, NC., December 13, 2012.

Varieties of Hypothetical Thinking. *Philosophy-Psychology-Neuroscience Program*. Washington University in St. Louis. St. Louis, MO. December 6, 2012.

The explanatory indispensability of memory traces. *Department of Philosophy*. Bowling Green University. Bowling Green, OH. November 30, 2012.

Episodic Memory and Counterfactual Thinking. *Neuroimaging and Neuropsychology Lecture Series*. VA Boston Healthcare System. Jamaica Plain, MA. June 7, 2012.

The Ontological Status of Memory Traces. *II Congreso Colombiano de Lógica, Epistemología y Filosofía de la Ciencia*. Universidad de los Andes. Bogotá, Colombia. February 8-10, 2012. *

Memoria episódica y pensamiento contrafáctico. *Departamento de Psicología*. Universidad Nacional de Colombia. Bogotá, Colombia. February 6, 2012.

Episodic Memory and Counterfactual Thinking. *Department of Psychology*. Harvard University. Cambridge, MA. February 3, 2012.

Episodic Memory and Counterfactual Thinking. *Department of Psychology*. University of Michigan. Ann Arbor, MI. January 20, 2012.

Responsibility and the Principle of Alternative Future Possibilities. *Department of Philosophy*. Wesleyan University. Middletown, CT. December 1, 2011.

Responsibility and the Principle of Alternative Future Possibilities. *American Philosophical Association. Pacific Division*. April 20-23, 2011. *

Neurociencia cognitiva de la memoria. *Departamento de Psicología*. Universidad Nacional de Colombia. Bogota, Colombia. April 6-9, 2011.

Is Memory for Remembering?. *Department of Psychology*. University of North Carolina, Chapel Hill, NC. March 14th, 2011.

Is Memory for Remembering? *Department of History and Philosophy of Science*. University of Pittsburgh, Pittsburgh, PA. January 31, 2011.

Is Memory for Remembering? *Department of Philosophy*. Hunter College. New York, NY. January 18, 2011.

Filosofía de la memoria. *Universidad de los Andes*. Bogotá, Colombia. June 15-30, 2010.

Is Memory for Remembering? *Department of Philosophy*. MERG. NYU, New York, NY. March 15th, 2010.

Attention, Consciousness, and Commonsense. *Department of Philosophy and Cognitive Science*. MERG. Yale University. New Haven, CT. October 9, 2009.

Memory and Counterfactual Thinking. *Department of Psychology*. University of North Carolina, Chapel Hill, NC. September 21, 2009.

If you like it, does it matter if it's real? *North Carolina Philosophical Society*. Wake Forest University. Winston Salem, NC. February 27-28, 2009. *

If you like it, does it matter if it's real? *American Philosophical Association, Central Division*. Chicago, IL. February 18-21, 2009. *

Neurociencia y responsabilidad. *II Congreso Colombiano de Filosofía*. Cartagena, Colombia. September 22-26, 2008. *

Filosofía de la memoria. *Pontificia Universidad Javeriana*. Bogotá, Colombia. September 18th, 2008.

Filosofía de la memoria. *Universidad Nacional de Colombia*. Bogotá, Colombia. September 17th, 2008.

If you like it, does it matter if it's real? *Society for Philosophy & Psychology*. Philadelphia, PA. June 26-29, 2008. *

Responsibility and Neuroscience. *American Philosophical Association, Central Division*. Chicago, IL. April 18-20, 2008. (With Eric Mandelbaum and David Ripley). *

Responsibility and Neuroscience. *Conference: "Mind, Brain, and Experience: At the Intersections of Philosophy, Science, and Medicine"*. Denver, CO. April 10-11, 2008 (With Eric Mandelbaum and David Ripley). *

Responsibility and Neuroscience. *Conference on the Occasion of the 10th Anniversary of Ethical Theory and Moral Practice*. Blaise Pascal Institute. Amsterdam, Netherlands. March 18-20, 2008. (With Eric Mandelbaum and David Ripley). *

If you like it, does it matter if it's real? *Workshop on Subjective Measures of Well-Being and the Science of Happiness*. University of Alabama, Birmingham, AL. February 2-3, 2008. *

If you like it, does it matter if it's real? *Work in progress series*. University of North Carolina, Chapel Hill, NC. October 30, 2007.

Two Arguments against a New Version of Epiphenomenalism. *Work in progress series*. University of North Carolina, Chapel Hill, NC. April 3, 2007.

Ciencia, mente y realidad. Workshop on the metaphysics and the scientific methodologies in philosophy of mind. *Pontificia Universidad Javeriana*. Bogotá, Colombia. June 14-16, 2006.

Commitment, Reduction or Elimination: Is there an alternative (in philosophy of mind)? *Work in progress series*. University of North Carolina, Chapel Hill, NC. February 9, 2006.

How to Do Things with Thoughts. *International Conference on Thought, Language and Action*. Bogotá, Colombia. September 1-3, 2005. (With Richard Dub).

Is Psychiatry a Meanwhile-Science?. *First Joint Conference of the Society for Philosophy & Psychology and the European Society for Philosophy & Psychology*. Barcelona, Spain. July 3-6, 2004. *

La psiquiatría: ¿Una ciencia provisional? *Pontificia Universidad Javeriana*. Bogotá, Colombia. March 23, 2004.

La conciencia: ¿Entre la espada y la pared? *Pontificia Universidad Javeriana*. Bogotá, Colombia. March 16, 2004.

Qualia and Consciousness. *II National Symposium of Neuroscience*. Pontificia Universidad Javeriana. Bogotá, Colombia. June 12-14, 2003. *

El lugar de la duda. *Philosophy Students Colloquium*. Universidad de los Andes. Bogotá, Colombia. April 29-30, 1999. *

Commentaries

Commentary on Thomas D. Senor's "A critical introduction to the epistemology of memory". *Issues in the Philosophy of Memory II*. Grenoble, France. July 1-4, 2019.

Commentary on Santiago Arango and Juan Pablo Bermúdez's "Remembering as mental action". *Minds Online 2017*. September 18-22, 2017.

Commentary on Bence Nanay's "The temporal profile of imaginative episodes". *Workshop on Transformative Experience*. UNC - Chapel Hill, NC. May 11, 2017.

Commentary on Philipp Koralus' "The Erotetic Theory of Attention: Questions, Focus, and Distraction". Online symposium at *philosophyofbrains.com*. March, 2014.

Commentary on Cameron Buckner's "Concepts, Kinds, and Transitional Gradation". *Southern Society for Philosophy and Psychology*. Charleston, SC. February 6-8, 2013.

Commentary on Sarah Robins' "The Extended Mind and The Constructive Memory Challenge". *Southern Society for Philosophy and Psychology*. Austin, TX. February 28 – March 2, 2013.

Commentary on Scott Kimbrough's "In Defense of Rationalization: Living with Haidt's Moral Psychology". *Southern Society for Philosophy and Psychology*. Atlanta, GA. April 15-17, 2010.

Commentary on Mitchell Herschbach's "Mirroring is not always simulation". *American Philosophical Association. Pacific Division*. San Francisco, CA. March 31 – April 4, 2010.

Commentary on Gunnar Bjornsson & Karl Persson's "Judgments of Moral Responsibility: A Unified Account". *Society for Philosophy & Psychology*. Bloomington, IN. June 12-14, 2009.

Commentary on Adam Shriver's "The Neuroscience of Well-Being". *Southern Society for Philosophy and Psychology*. Savannah, GA. April 9-11, 2009.

Commentary on Michael L. Anderson's "Implications of the Massive Redeployment Hypothesis for our Understanding of the Nature of Cognitive Functions". *Society for Philosophy & Psychology*. Toronto, Canada. June 14-17, 2007.

Poster Presentations (Selection)

De Brigard, F., Ayala, O. *, Banta, D., Duarte, L., Lozano, A., Garcia, J., Montañés, P., & Davis, S.W. Episodic past, future and counterfactual thinking in relapsing-remitting multiple sclerosis patients. *Society for Neuroscience*, Chicago, IL. October 19-23, 2019.*

PROFESSIONAL TRAINING

- 2014 Mind Research Network fMRI Image Acquisition and Analyses Course – University of Colorado, Boulder.
- 2013 Summer Institute in Cognitive Neuroscience – Lake Tahoe, CA.
- 2009 Summer Institute in Cognitive Neuroscience – University of California, Santa Barbara.
- 2009 Neurometrika SPM8 Workshop – Biomedical Research Imaging Center, UNC-Chapel Hill.
- 2008 - 2011 Graduate Student Assistant at the Cognitive Neuroscience of Memory Lab, UNC-Chapel Hill. (PI: Dr. Kelly Giovanello).
- 2005 Summer Institute on College Teaching – Tufts University.

TECHNICAL SKILLS

Statistical programs: R, SPSS, jamovi, and SPM and PLS packages for fMRI data. Stimulus presentation programs: MacStim, E-Prime. Coding: MATLAB, Python.

PROFESSIONAL SERVICE

Co-Chair and local host of the 41st meeting of the *Society for Philosophy and Psychology*. Duke University, Durham, NC. June 4-6, 2015.

Editorial board *Journal of Philosophy of Emotion* (2016 – present), *Imagination, Cognition, and Personality* (2015- present), *Revista Colombiana de Psicología* (2012 - present), *Estudios de Filosofía* (2017 – present).

Review editor *Frontiers in Theoretical and Philosophical Psychology* (2013 – present).

PhilPapers editor for “Memory and Cognitive Science” (2011 – present).

Grant referee for *National Science Foundation*; *Medical Research Council*; *Social Sciences and Humanities Research Council of Canada*; *Templeton World Charity Foundation*; *American University of Sharjah*; *European Research Council*.

Ad hoc journal referee for *Analysis*; *Australasian Journal of Philosophy*; *Behavioral and Brain Sciences*; *British Journal for the Philosophy of Science*; *British Journal of Psychology*; *Cognition*; *Cognitive Science*; *Consciousness and Cognition*; *Critica*; *Current Directions in Psychological Science*; *dialectica*; *Ergo*; *Erkenntnis*; *Estudios de Filosofía*; *European Journal for Philosophy of Science*; *Frontiers in Neuroscience*; *Frontiers in Psychology*; *Frontiers in Robotics and AI*; *Frontiers in Theoretical and Philosophical Psychology*; *Hippocampus*; *Ideas y Valores*; *Journal of Cognitive Neuroscience*; *Journal of Consciousness Studies*; *Journal of Experimental Psychology: Learning, Memory, and Cognition*; *Journal of Individual Differences*; *Journal of Neuroscience*; *Journal of Personality and Social Psychology*; *Journal of the American Philosophical Association*; *Manuscrito*; *Memory*; *Mind and Language*; *Mind and Society*; *Neuroethics*; *NeuroImage*; *Neuropsychologia*; *Organizational Behavior and Human Decision Processes*; *Personality and Social Psychology Bulletin*; *Perspectives in Psychological Science*; *Philosophical Papers*; *Philosophical Psychology*; *Philosophy of Science*; *PLOS One*; *Quarterly Journal of Experimental Psychology*; *Review of Philosophy and Psychology*; *Social Cognitive and Affective Neuroscience*; *Synthese*; *Tópicos*; *Proceedings of the National Academy of Sciences*; *Trends in Cognitive Science*.

Editorial referee for *Oxford University Press*, *MIT Press*, *Routledge*, *Springer*, *Continuum*, *Rowman & Littlefield*, and *Elsevier*.

Ad hoc conference referee for *Society for Philosophy & Psychology* (2007, 2009, 2012, 2015, 2016; 2017; 2018; 2019), *Southern Society for Philosophy and Psychology* (2010, 2012, 2014), *Cognitive Science Society* (2015; 2016; 2017; 2018; 2019), *Minds Online* (2015; 2016; 2017).

Managing Editor for *Ideas y Valores*, *The Colombian Journal of Philosophy*. (1998-2000)

UNIVERSITY AND DEPARTMENTAL SERVICE

Organizer - Philosophy Colloquium. (Duke University, 2016-2017; 2018-2019; 2019-2020).

Philosophy Department, Placement co-director (Duke University, 2016-2017).

Organizer – Center for Cognitive Neuroscience Colloquium (Duke University, 2016-2018, 2019-2020).

Co-Organizer – Workshop on Memory and Skill. (Duke University, April 22-24, 2016).

Co-Organizer - Conference in Honor of Fred Dretske’s work. (Duke University, May 14, 2014).

Steering Committee for the Graduate Admitting Program in Cognitive Neuroscience (Duke University; 2013-present).

Philosophy Department Graduate Admissions Committee (Duke University; 2014; 2016).

Planning Committee for 2014 Chapel Hill Colloquium (Duke University; 2013-present).

Outreach Coordinator at the Department of Philosophy (UNC-Chapel Hill; 2008-2009).

TEACHING EXPERIENCE

As Assistant/Associate Professor at Duke University (Full responsibility)
