*To: Kurey Mining & Rocks Company

*OG: Minister of Petroleum & Minerals

*Ministry of Petroleum and Minerals of JDS

*For the past few months, it has been in possession of a mineral (Meteorite Stone), weighing 15.15 tons

*Having seen the document issued by the Notary and Legal Counsel Office of Kaatib, Rep. No. 23514.NK2020 dated 02/08/2020 regarding an agreement entered into by the founders of Kurey Mining & Rocks Company

Com.

*This is to inform the company receiving this direct message that until the completion of the investigations, this company is authorized to display and market its minerals.

*Finally, the Ministry of Petroleum and Minerals JFS informs your Company that once the legal procedures and the sale agreement are completed, the successful company will apply for export authorization. The Ministry will then issue all the necessary documents for export (Certificate of Origin) certifying that the mineral originates from JFGS.
