Mr. Fayssal Mezgouri
Agadir, Morocco,

Dear Mr. Mezgouri,

It is my pleasure to formally invite you to the University of California – Los Angeles (UCLA) to participate in the 86th annual meeting of The Meteoritical Society. We have organized a session with several presentations about the El Ali meteorite and meeting participants would be most interested to hear your perspective about this important discovery. The meeting will be held on the UCLA campus during the week of August 13 – 18 (see https://metsoc2023-la.com/). I look forward to meeting you in Los Angeles this August!

Sincerely,

Kevin D. McKeegan

Distinguished Professor of Cosmochemistry and Geochemistry
Chair of Local Organizing Committee
